H. S. FOOTBALL TEAM TO PLAY GOLDFIELD

BANQUET TO BE SERVED AFTER THE CRUEL WAR IS OVER

Several auto parties have already been formed to journey to Goldfield on Saturday next, when the local high school football team meets the bunch of huskies at the rival camp. The team will go in four autos, those of N. K. Franklin and J. S. Stotenburg being donated for the occasion. Besides the team three substitutes, Coach Walker and Roy Cross, referee, will make the trip. The team and substitutes will be announced Friday evening at a high school rally.

With a small squad, competition for places is practically eliminated, yet there are at least three places on the local team that will hang in the balance until the final practice. Scholarship requirements also are very liable to alter the projected line-up, and infractions of the simple training rules may at any time relieve the squad of a good man.

Arrangements are now being made so that all the Tonopah contingent—team, rooters, and visitors, shall banquet at the Goldfield hotel after the game. In the evening Goldfield high school entertains, and from reports that find their way across, much time and thought is going into the entertainment.
